The Tipsy Traveler:

A Guide to Beer in Denver, Colorado

Azure Giroux GEOG 5081 Final Atlas

Greetings!

You appear to have gotten your hands on a Denver edition of *The Tipsy Traveler*. A wise move. Let me explain why.

Denver, Colorado has a thriving beer scene. It is amazing, but planning the perfect day of brewery hopping can be intimidating and time-consuming. To help complete your thirst-quenching quest, this guide was created.

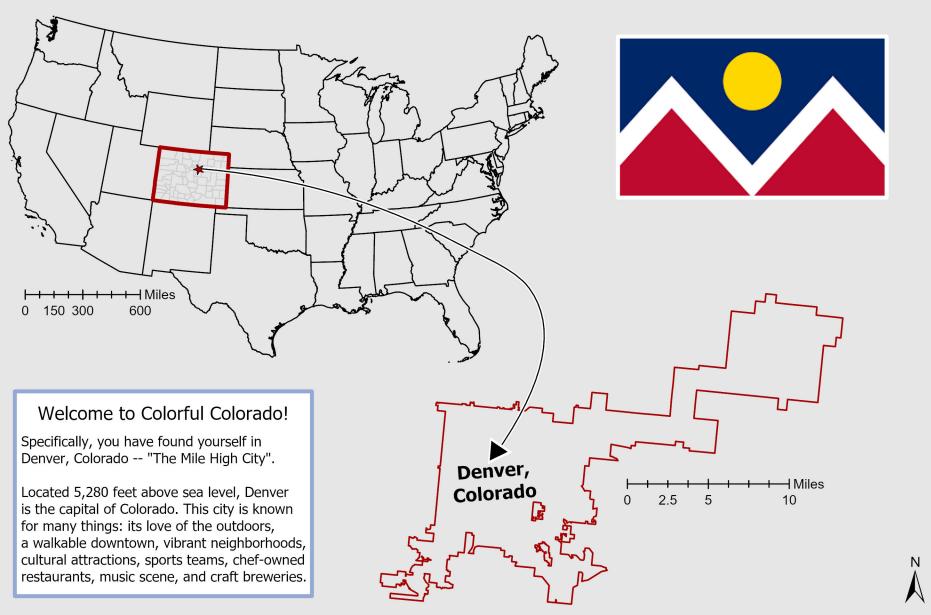

The Tipsy Traveler contains pertinent information about Denver breweries, including locations, business details, and maps of conceivable walking tours with step-by-step directions.

This guide is the perfect companion to bring along while exploring all the liquid libations the Mile High City has to offer. For extra planning assistance, use the spaces supplied in the back – they prove helpful the more breweries you visit.

Thank you for using *The Tipsy Traveler*. I hope you enjoy using it as much as I enjoyed making it!

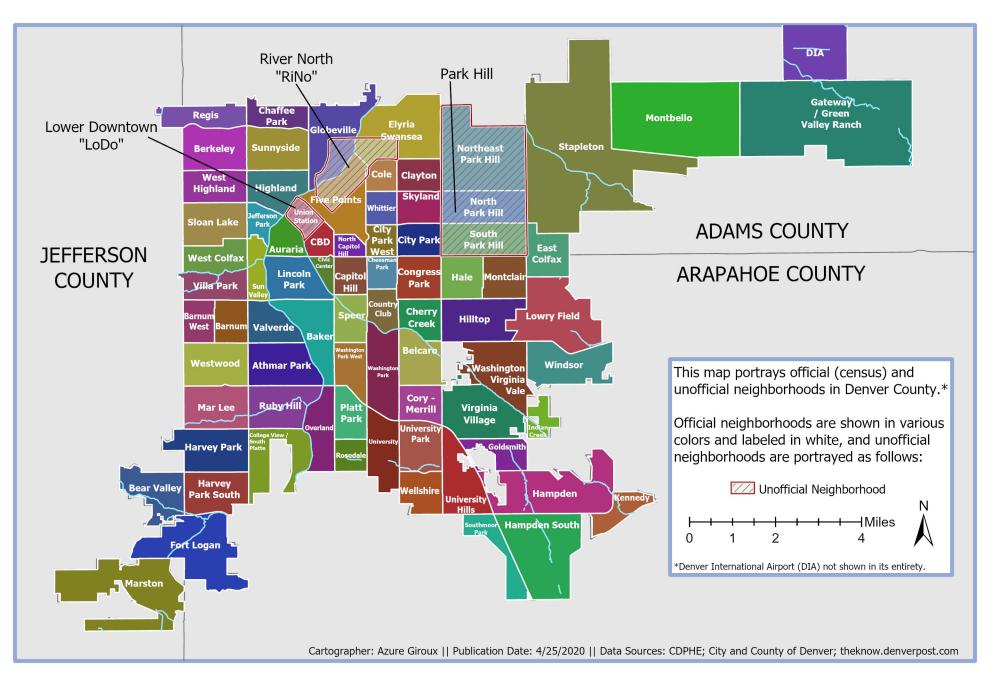

Cheers, Azure
